

# BANQUET STYLE SEATING WITH A DIVIDER

SEATING CAPACITY #1: 64

SEATING CAPACITY #2: 80

This is the usual style of seating arrangement where the guests are seated around a circular table. This gives them the perfect opportunity to interact with another and every person could see each other clearly. This kind of seating arrangement is popular for wedding reception, gala dinners or award ceremonies. Each round table is surrounded by 8 chairs. Perfect for smaller gatherings.
